Qualifying replacement product will be sent without shipping charges. Allergan will neither provide nor pay for a non-Allergan product, nor in any event provide money for or in lieu of an Allergan replacement product. Any replacement NATRELLE® Style, Saline-Filled or Silicone-Filled Breast Implant, automatically includes a new Allergan *ConfidencePlus*® Warranty covering the replacement implant only.

For purposes of this provision, excuse of performance shall mean that Allergan is neither obligated to provide nor pay for a replacement product, regardless of the product's source. Despite the excuse of Allergan's obligation to provide a replacement product under this provision, Allergan shall continue to perform its obligation to provide financial assistance for operating room, anesthesia, and surgical fee costs to the extent described under the Allergan *ConfidencePlus*® and *ConfidencePlus*® Premier Limited Warranties.

For the qualifying replacement implant to be eligible for the Allergan *ConfidencePlus*® Premier Warranty, an additional payment of \$100 is required.

When a patient undergoes a unilateral Breast Implant replacement, and the Allergan *ConfidencePlus*® Premier Warranty is purchased for the qualifying replacement implant, the terms of the original Allergan *ConfidencePlus*® Premier Warranty will automatically continue to apply to the contralateral implant (not replaced) for the remainder of the ten years still available under its original term. This is contingent upon the contralateral implant qualifying under the terms of the Allergan *ConfidencePlus*® Premier Warranty. Under no circumstances will the Allergan *ConfidencePlus*® Premier Warranty continue for more than ten years from the actual date of implantation for any individual implant.

**When Allergan has made payment for a unilateral replacement under the terms of the Allergan *ConfidencePlus*® Premier Warranty, and the patient does not elect to purchase the Allergan *ConfidencePlus*® Premier Warranty for the replacement implant, the assistance available for the contralateral implant (not replaced) is limited to any assistance that may still be remaining under the terms of the original Allergan *ConfidencePlus*® Premier Warranty.**

The assistance available under the terms of the Allergan *ConfidencePlus*® Premier Warranty and the Allergan *ConfidencePlus*® Warranty or the Allergan *ConfidencePlus*® Program (for patients implanted between June 1, 1993 and March 31, 2002) is not cumulative. The Allergan *ConfidencePlus*® Premier Warranty is not transferable.
